Between
Defense Information Systems Agency (DISA)
and
N.E.T. Federal, Inc., d.b.a. net.com

1. Effective Date of this Modification: The last date of execution below.
2. The above Agreement is hereby modified as follows:
 - a. The following is hereby deleted from Article XI Prices and Discounts:

“Quarterly, Contractor may propose to the Government updates to Attachment A to this Agreement, which will be awarded via a modification to this BPA. The prices in these proposed updates will reflect the above discounts off Contractor’s commercial list prices current at the time of such proposal.”
 - b. The following is hereby added to Article XI Prices and Discounts:

“Contractor may unilaterally make changes to Attachment A if such changes result in prices that are consistent with the above discounts off Contractor’s commercial list prices current at the time of such changes. Contractor will provide the Government with a summary of such changes within one (1) week after they’ve been made on the web site www.net.com.”
 - c. The following is hereby added to Article VII Payment and Invoice Procedures:

“Contractor will include in the invoice, the MIPR or CSA number on the related order.
3. Unless modified herein, all other terms and conditions of the Agreement remain unchanged.
4. This Modification is issued pursuant to mutual agreement of the parties to this Agreement, as indicated by bilateral execution below.
5. The Contractor is required to sign and return two originals of this Modification.
